MEMORANDUM FOR THE RECORD

25X1A

Just received a call from [REDACTED] NSA Liaison Officer, who was given a message from NSA (K-3 Element) which was received from SAC. The message related to the use of [REDACTED] in the U-2 and questioning its continuance of it as a System. [REDACTED] OSA, who mentioned that [REDACTED] is being abandoned for [REDACTED] but that he would not like to make any judgment on reply to SAC.

25X1D

I have asked [REDACTED] for a copy of the message and told him that we would look into it after receipt of this copy. He promised to have it over on the teletype this afternoon.
